

Cambridgeport School Science Morning Thursday, May 1, 2008 8:25 to 10:00AM

8:10-8:45AM Coffee in the Main Hall

Dan Monaghan, CPS Science Mentor Teacher and former CPort teacher, will share information regarding CPS Science Curriculum and Science opportunities within the city.

8:45-10:10AM Classroom Visits

9:10-9:50AM Kindergarten (Room 1 & 2)

Kindergarten students will work in the Organism Unit. Students will participate in three stations:

- Observing Plants
- Observing Beetles & Fish
- Organisms Inspired Music and Movement

1/2 Classrooms (Room 100, 101, 103)

The 1/2 students are studying soils. Each class will be completing a soil experiment working with seedlings of corn, beans, and squash.

3/4 Classrooms (Room 102, 104, 105)

Students will share their learning about Plant Growth and Development. Visitors will see a “greenhouse” and enjoy student activities and projects. Students will also share their poetry on plants.

5/6 Classrooms (Room 205, 300, 304, 305)

Students will present their learning about machines. Small groups will display their inventions. There will be projects for guests to review.

9:00-10:00AM 7th & 8th Grades (Cafeteria)

EXPO & Design Projects

Families may view student projects and ask questions about the projects.

9:00 – 9:20AM Group 1 will be viewing classmates projects while Group 2 and 3 man their projects

9:20 – 9:40AM Group 2 will be viewing classmates projects while Group 1 and 3 man their projects

9:40 – 10:00AM Group 3 will be viewing classmates projects while Group 2 and 1 man their projects
