

Three Ways to Pay

1) Pay by Cash or Check

Bring cash or check directly to the cashier at your child's cafeteria *or* mail a check with your child's name and ID number to:

Food Service Office
Kennedy-Longfellow School
158 Spring Street
Cambridge, MA 02141

2) Pay Online

Go to myschoolbucks.com and follow the easy steps to set up an account for your child. Have your child's ID number, birthdate, and your credit card handy. The system will even remind you when your account balance is low.

3) Apply for Free or Reduced Price Meals

To participate in this federal program simply complete a Free & Reduced Meals Program application each fall or as soon as you learn that you may qualify. Contact us to request an application or download it from the Food Services section of the CPS website.

We are proud to provide nutritious, great-tasting, and diverse meals to hundreds of students each day at the low cost of: \$2.75 for lunch and \$1 for breakfast at the Elementary Schools, \$3.00 for lunch and \$1.50 for breakfast at CRLS. Reduced price meals are 40¢ for lunch and 30¢ for breakfast.

View school lunch menus, recipes, and more on our website:

Please Pay in Advance

When you enrolled your child in Cambridge Public Schools, we set up a food service account for your child.

Paying in advance is convenient and eliminates the need to rely on students and teachers to keep track of money each day.

We ask you to pay into your child's account so the cost of meals can be deducted each time your child chooses a school meal.

We use a computerized check-out system that displays your child's school photo to help ensure accuracy. We never turn students away, so if your child's account has a negative balance, we will notify you for repayment.

Please contact us if you have any concerns about your student's account, need to apply for free or reduced price meals, or would like to set up a payment plan.
