MENU NOTES

LOCAL LOVE:

Cambridge is quite privileged to be located near such a robust seafood industry. This month we're featuring locally sourced seafood from two different producers. On Monday, the 7th, we're offering a fan favorite of the Coconut Crusted Redfish (aka: Atlantic Perch) from North Coast Seafoods. On Tuesday, the 15th, we're using the catch of the day from Red's Best to make our fresh and crispy Fish Tacos. Some schools will have promotional materials on site so you can learn more about the fishermen that work hard to bring healthy seafood from the New England shore to our students.

Chef Notes: Breakfast, A Healthy Start

It's a new year, and a great time to highlight our new free breakfast program. The City of Cambridge has partnered with the school department to expand free breakfast to all schools. Each breakfast comes with a choice of fresh fruit and/or 100% fruit juice with a variety of menu items featured daily. Any student that selects a full breakfast will be able to eat with no charge to their account. So start your new year off right by incorporating a healthy breakfast into your morning routine. If you have any ideas on what we can do to improve breakfast service at your school, feel free to reach out to the Food & Nutrition Department. Our chefs, cashiers, and cafeteria helpers are all committed to making 2019 the best year yet!

Enjoy and Eat well,

Melissa Honeywood, RD

HARVEST of the MONTH

This month Cambridge will be offering fresh locally sourced Apples.

Did you Know?

25% of an average apple's volume is air, which is why they float in water making dunking for apples fun!

Every month Cambridge kitchens will highlight a local product in partnership with the Massachusetts farm to school program. To learn more check out: massfarmtoschool.org
