

SET YOUR STUDENTS ON A CAREER PATH TO A BRIGHT FUTURE

Do you want to help students pursue meaningful teaching careers? With Bright Horizons®, you can!

At Bright Horizons, our mission is to make a difference in the lives of children and families by providing the highest quality early education and child care.

We are honored to do the important work of helping children reach their full potential, and like you, are dedicated to this effort.

Whether your school offers courses in child development, or career guidance for aspiring teachers, we can partner with you to help your students set career goals and establish a path for achieving them.

Examples of opportunities we can provide your high school students include:

- Job Shadow Days
- Internships/Practicums and CDA support
- Center Tours
- Part-Time Employment
- Guest Speaking

Early childhood teaching careers with us offer:

- **Tuition reimbursement and educational advising** benefits to support continued education.
- **Comprehensive benefits** unparalleled in the early education field.
- **The Bright Horizons eCDA program**—an online program for employees to pursue their CDA at no cost to them.
- **Flexible schedules** with full-time, part-time and substitute teaching positions, allowing students to balance work with their studies and personal life.
- **A long-term career path** with growth opportunities beyond the classroom. Many of our Center Directors and Regional Managers started with us as interns and teachers!
