***Insurance Information to be seen for medical care**

We accept most kinds of insurance except certain HMO insurances. An HMO gives you access to certain doctors and hospitals only within that network. But unlike other insurance plan types, care is covered only if you see a provider within that HMO's network. For students with a primary care provider at CHA, you can be seen for all services.

Below is a list of accepted Non-HMO insurances for students who do not have a CHA Primary Care Provider:

- AETNA PPO/Indemnity
- United Healthcare
- Unicare
