

2016 STANLEY Z. KOPLIK CERTIFICATE OF MASTERY WITH DISTINCTION APPLICATION

Deadline: May 1, 2016*

The purposes of the Certificate of Mastery are to:

- Recognize high academic achievement on MCAS and other measures of academic achievement;
- Recognize high academic achievement as identified by outside forums including competitions, student publications, and awards;
- Provide an incentive for students to perform to their best abilities on MCAS and on the course of studies beyond grade 10; and
- Recognize high academic achievement in areas not included in MCAS.

Who is Eligible?

To be **eligible to apply** for a Stanley Z. Koplik Certificate of Mastery Award, a student must:

- Must be currently enrolled in a Massachusetts public high school. (Students who have graduated high school are not eligible to apply)
 - Be a permanent Massachusetts resident.
 - Be a United States citizen or eligible noncitizen.
- (In order to use the tuition waiver portion of the Certificate, students must be eligible to file the Free Application for Federal Student Aid ([FAFSA](#)))

Award Amounts:

Recipients of the *Stanley Z. Koplik Certificate of Mastery with Distinction* are eligible for an award of a non-need-based tuition waiver for state-supported undergraduate courses. Individual student awards shall be no more than the resident undergraduate tuition rate at the participating institution. For updated information on current tuition rates at Massachusetts Public Colleges and Universities, please visit: <http://www.mass.edu/campuses/tuitionfees.asp>

The tuition waiver must be used in the September following high school graduation and is valid for eight (8) consecutive semesters provided the student maintains a G.P.A. of 3.3 for continued eligibility. If the G.P.A. falls below the 3.3 then the student loses the waiver.

Students **MUST** file the Free Application for Federal Student Aid ([FAFSA](#)) in order to use the tuition waiver portion of the Certificate.

* Students taking AP exams or SAT subject tests after this date must still file an application by this deadline. Please see Section II for more information on the submission process. Students may not file an application after graduating from high school.

Requirements for the Stanley Z. Koplik Certificate of Mastery with Distinction

SECTION I:

Initial Requirements:

To initially qualify, a student must score *Advanced* on one Grade 10 MCAS assessment (either in Mathematics, English Language Arts, or Science) and either *Advanced* or *Proficient* on the other two. Students who have met this requirement will receive an eligibility letter from their high school during their junior year.

SECTION II:

Application:

Students must complete and submit the application for the Koplik Certificate of Mastery with Distinction by May 1st of their senior year in high school. The application must be submitted to the high school's Koplik Coordinator or guidance counselor for proper review, certification and submission to the ESE. Applications sent directly to the ESE will be returned to the high school for proper processing.

Students scheduled to take SAT subject tests and/or AP exams in May or June must still submit the application to their schools Koplik coordinator on or before the May 1st deadline. AP Exam and some SAT Subject Test scores arrive at your high school in the summer. Your Koplik Coordinator will notify the ESE when all of your scores and other documentation have been received and approved (indicated by the Koplik coordinator's signature on the application). Successful applicants will receive the Certificate of Mastery with Distinction from the Massachusetts Department of Elementary & Secondary Education.

You MAY NOT make an initial application after you have graduated from high school.

SECTION III:

Standardized Test Requirement (per Massachusetts 603 CMR 31.05(2)):

Students have the choice of ONE of the following options:

- a. two Advanced Placement exams with scores of "3" or better, or
- b. two SAT Subject Tests (subjects and minimum required scores listed below), or
- c. one SAT Subject Test **and** one Advanced Placement exam, or
- d. **one** of the above mentioned tests/exams **and** one *Other Academic Achievement* (see below for options and next page for examples).

Please note (per Massachusetts 603 CMR 31.05(3)): Test scores (in any combination) and /or academic achievements **MAY NOT** be in the same **content** area. For example:

- i. If a student passes an exam in any area of Biology then (s)he may not submit scores from any other science exam (i.e. Chemistry, Physics, Earth Science, etc.) or academic achievement.
- ii. If a student passes an exam in any area of Social Studies then (s)he may not submit scores from any other History/Social Studies exam (i.e. Microeconomics, World History, etc.) or academic achievement.
- iii. If a student passes an exam in any area of Math then (s)he may not submit scores from any other Math exam (i.e. Calculus, Statistics, etc.) or academic achievement.
- iv. If a student passes an exam in any area of English/Language Arts (ELA) then (s)he may not submit scores from any other ELA exam (i.e. Literature, English Language and Composition, etc.) or academic achievement.
- v. If a student passes an exam in a foreign language then (s)he may not submit scores from any other foreign language exam or academic achievement in the same language area (i.e. German and German Language & Culture, etc.).

SECTION IV:

Other Academic Achievements (option d above):

Students may substitute evidence of another academic achievement from their high school years for ONE passing score on any of the tests listed above.

1. College Courses:

A student must receive a grade of *B* or higher on a college course taken during high school. Documentation is an official transcript from a college or university. This course may not be in the same content area as the standardized test score submitted.

2. International Baccalaureate Program:

Students must complete the IB Diploma Programme (DP) and be awarded either a full Diploma or a Bilingual Diploma during or upon graduating from high school. Students who are awarded a Certificate through the IB Programme must receive a score of a 5 or better during or upon graduating from high school. Documentation is an official transcript from the International Baccalaureate Program.

3. Competitions, Prizes, Awards, Publications:

A student must win a prize or award in a competition or be selected for an activity or publication, beyond the local school level, based on excellence in achievement in an academic or artistic field. Evidence could be a certificate, award, article or excerpt and title page from a publication, or a letter from a sponsoring organization indicating the level of work the student accomplished. This achievement may not be in the same content area as the standardized test score submitted.
