

Innovators**for**Purpose

Cultivating an Untapped Source of innovators

Innovation in the 21st Century requires people who are as creative as designers, as tech savvy as scientists and engineers and as driven as entrepreneurs. Join Innovators**for**Purpose on **Innovation Careers Day**. This will be your opportunity to learn about and ask “How Might I follow the paths of professionals working in the innovation economy?”

Guest Speakers:

The Scientist
Oblaise Mercury
Biogen

The Engineer
Erica Aduh
