

## CAMBRIDGE STREET UPPER SCHOOL

September 6, 2016

Dear 6th Grade Families,

The 6th Grade Team is thrilled to welcome all of you to Cambridge Street Upper School! We enjoyed meeting many of you at our new scholar orientation, and look forward to meeting more of you at our **Back to School Night on October 6 at 6:30 PM.**

During the next few weeks, you will be hearing much more from us as we share information about 6th grade in general, and about our individual classrooms and curricula. We will also provide overviews of our expectations and curricula at Back to School Night.

During the school year, we will provide scholars with many of the supplies they need. There are, however, a few additional supplies that we would like scholars to have by Wednesday, September 14th. On the back of this letter is the list of supplies.

We are excited for the coming year and will work together with you to make sure that your scholar has an enjoyable and enriching experience in 6th grade.

We look forward to getting to know all of you!

Sincerely,

### **The 6th Grade Core Team**
