

Cambridge Street Upper School

Welcome Note to 8th Grade Students and Families

Welcome 8th graders and families to Cambridge Street Upper School! We are looking forward to an exciting year as we bring together our experiences and perspectives into our new learning community. On the first day of school, we will send home a student info form that we please ask you to complete so that we can have a chance to better know you. The form will also be online here via a link through Aspen. We will also be using Aspen to post homework, school events, and make other updates: <https://aspen.cpsd.us/aspen/logon.do>. Please log on and check it out! Below you will find our supplies list. We ask scholars to please have these supplies by Tuesday, September 13th at the latest!

Thanks!

The 8th grade team:

Debra Stewart, Special Educator

Phoebe Goodwin, Science

Kendal Schwarz, Math

Angela DePalma, Social Studies

Connie Henderson, English Language Arts

SUPPLIES:

Please be sure that your child has the following supplies for school and at home:
