

# All School Councils Meeting: Share Your Family Engagement Plan

*Please Join Us!*  
November 30, 2015

All CPS School Councils are invited to participate in an interactive session aimed at strengthening our family engagement efforts. Be a resource to others while gaining inspiration from the successes at other CPS school communities. As part of the CPS Family Engagement Planning Process, school-based family engagement goals are now a required element of CPS School Improvement Plans. Individual school plans will also be incorporated into our district-wide Family Engagement Plan.

**Location:**
