

Cambridge Youth Lacrosse

2015 Spring Registration Now Open!

Lacrosse started as a Native American stick ball game and is now the fastest growing sport in the United States! Played by both boys and girls, it is a very active and team focused sport.

Cambridge Youth Lacrosse (CYL) is a 501(c)(3) non-profit organization founded by an enthusiastic group of local parents, teachers, coaches, and fans to bring this great sport to Cambridge's youth sports community.

CYL believes in practicing hard, playing hard, and striving to win. But while winning is an essential part of sport and competition in general, we equally emphasize the many other complementary goals of our program including strong fundamental lacrosse skills, good sportsmanship, team camaraderie, and a love for the sport! **NO PRIOR LACROSSE EXPERIENCE is required for any of our spring programs.**
