

Expanding Girls' STEM Career Horizons

A one-day summit for high school girls in grades 8–12 who love Science, Technology, Engineering, and Math

Are you interested in a career using science, technology, engineering or math? Would you like to learn more about emerging careers in these fields? If so, Girls STEM Summit-Statewide is for you!

- Experience an inspirational keynote speech by a local female leader in a STEM field.
 - Meet successful women working as experts in STEM fields, and work directly with them in hands-on career-specific workshops.
 - Expand your knowledge of STEM industries and emerging career paths.
 - Be inspired to continue taking STEM high school courses applicable to STEM college programs.
 - Explore additional STEM fields and interact with STEM professionals and organizations during the mid-day Exhibit Hall.
 - Learn about college institutions that offer a wide range of STEM programs.
