

# Infant & Child Scientists Needed!

Harvard Lab for Developmental Studies

Do you want to learn more about how your child's mind works?

So do we!

The **Harvard Lab for Developmental Studies** researches how infants and children learn and reason about people, objects, words, numbers, and music.

We are looking for infants and children between the ages of **3 months and 12 years** to participate in our studies!

## Studies for babies!

Infants watch short, entertaining videos.

## Studies for kids!

Children play games with friendly researchers.

We are accessible by T (Harvard Square stop), and we provide free parking. You will receive \$5 for travel compensation and a small gift for your child.

*Approved for me 02-08-17*
