

# October Kids' Programs at Fresh Pond Reservation

## Fresh Pond Kids' Walks

Fridays, 10 to 11 am

The Gazebo at Neville Place, 650 Concord Avenue

Join us for casual nature explorations, designed for young kids and their parents/caretakers, and play in our urban wild! We might look for frogs and turtles at Black's Nook, or find pill bugs and bird nests in the Butterfly Meadow. Please come dressed ready for the weather and in clothes that are okay to get a bit dirty! Feel free to contact Catherine Pedemonti at [friendsoffreshpond@yahoo.com](mailto:friendsoffreshpond@yahoo.com) with any questions or to RSVP.

## Fresh Pond Stroller Walk

Fridays, October 6 and 20, 9 to 9:45 am

The Gazebo at Neville Place, 650 Concord Avenue

Learn about the plants and wildlife at Fresh Pond while your little one enjoys some quiet time (or a nap!) in his/her stroller or baby carrier. Meet other like-minded parents or caretakers with their little ones. Or just enjoy a quiet walk. We will start at Maher Park and walk to Black's Nook, Lusitania meadow, and back to Maher Park again. Contact Catherine Pedemonti at [friendsoffreshpond@yahoo.com](mailto:friendsoffreshpond@yahoo.com) with any questions or to RSVP.
