

## 2016 SUMMER OPPORTUNITIES YOUTH PLANNING SHEET

### Dear Families:

This form will be completed at a workshop on March 15<sup>th</sup> about the many summer opportunities available to current 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> graders. We want to make sure all Upper School students and families know your options and are thoughtful about planning for the summer. **Please take some time to review it with your child and have some conversations about what summer plans are already made or what you think is best for him/her.** Let us know below if you'd like assistance with the process!

Here are 5 THINGS YOU SHOULD KNOW ABOUT SUMMER OPPORTUNITIES:

1. Summer is 10 weeks and is a good time for middle school youth to try new things and pursue new or existing interests and skills.
2. There are many quality summer opportunities available to all Cambridge youth inside and outside the city that are enriching, structured, and safe.
3. Many opportunities have deadlines and fill up quickly – it is better to apply/register NOW and decide later than to wait. (Just let the program know if you are no longer considering it).
4. Some opportunities are free, and even those with a cost often have financial aid and scholarships money available – just ask! (And we can help negotiate with some programs.)
5. In addition to your child's Advisor, each Upper School has people available to help you find and enroll in summer opportunities!

#### What should you do now?

- Talk to your child about this planning sheet and what s/he wants to do.
- Review the attached list of opportunities and determine which are of interest – and review the Summer Opportunities Resource Guide: <http://goo.gl/OMclXf> (also on the CSUS website under activities)
- Go online or contact the program to find out if there is space and to get registration materials.
- **Please return this form to school with your child on or before Tuesday, March 15<sup>th</sup>**

**Check out the programs listed on the attached At-A-Glance page or the Summer Resource Guide.**

I would like assistance in getting my child signed up for:

**If you have any questions or need help finding an opportunity, contact:**

- Your child's homeroom teacher/Advisor at SCHOOL
- MSN LIAISON: Takeame Gomes
- OST PLACEMENT COORDINATOR: Edson Soares
