in East Cambridge!

An East Cambridge Community Event

Want to learn how to **extract DNA from a strawberry**? Or maybe **create and build a kinetic sculpture**? Perhaps robotics is your thing--want to try your hand at **programming a robot**?

If this sounds like **fun** and you feel like spending some great family time having **pizza** and **learning together**, come to **STEAM in East Cambridge** at the Kennedy-Longfellow cafeteria!

WHO: Families who want to have fun!!!

WHEN: Thursday, May 5, 2016; 6:00 - 8:00 PM

WHERE: Kennedy-Longfellow School cafeteria (158 Spring St.)

If you have questions, contact: syang@cambridgema.gov

Our growing list of sponsors (as of 4/4/2016)
