

FUN !!! FUN !!! FUN !!!

Boston Museum of Science and the TTT Mentor Program

Invites you and your children (grades 1 – 7 only)

to participate in a

CAMP-IN in the Boston Museum of Science Exhibit Hall

Friday Evening – Saturday Afternoon

April 17 – April 18, 2015

**(a parent or an adult must accompany their child or children and
participate in the activities)**

Cost: \$50/per person

(scholarship funding is available especially for students on REDUCED LUNCH)

??

If you have questions, please send an email ASAP to

tttmentorprogram@yahoo.com

Due to the generosity of the Boston Museum of Science's supporters, and the TTT
Mentor Program's partnership with the museum, you and your children
in grades 1 – 7 are able to participate in this wonderful opportunity.

The Camp-In Program at the Museum of Science is an overnight full of fun and
interactive exhibits, presentations, exciting group activities and snacks

Here's what you do (First Come, First Served Basis)

Only for families with children in grades 1 – 7

1. If you and your children are planning to participate, please send an email to express interest with:
 - A. The **full name** of each adult/parent attending the sleep-over
 - B. The **city of residence**
 - C. The **full name, age and grade level** of each student
 - D. **Name and city of school** of attendance, **checkmark each child on REDUCED LUNCH**
 - E. **OPTIONAL:** those in need please include a paragraph stating your need for a reduction in cost)
2. You will receive an email confirmation ASAP stating your request and full amount due.
3. Immediately send a **NON-REFUNDABLE** money order or check of the amount made out to:

TTT Mentor Program
P.O. Box 391436
Cambridge, MA 02139
4. The TTT Mentor Program will send you an email to confirm receiving the letter and, with more
Camp-In details.
