

The Flagship Computer Clubhouse at the Museum of Science

The Flagship Computer Clubhouse is a **FREE** after-school program at the Museum of Science where Clubhouse members (ages 10-18) *design, create, and invent* projects based on their own passions and interests. This includes:

- 3D modeling and printing
- Animation
- Video
- Photography
- Music production
- Computer programming
- Game development
- Engineering
- Building websites
- Much more!

Where: Museum of Science, 1 Science Park, Boston, MA 02114.

On the T: Take the Green Line and get off at the Science Park stop

When: Tuesday-Thursdays 2:30-6:30, Fridays 2:30-7:30, and Saturdays 12:00-5:00. Youth can drop-in on any of the days and times listed above.

Jackie Gonzalez, Clubhouse Manager: 617-589-0462 or jgonzalez@mos.org
