

# Current 6<sup>th</sup> Grade Families: Important Changes to the Math Curriculum!

## How YOUR Child Will Achieve Math Success

Join the Science, Technology, Engineering, and Math (STEM) Department in a presentation of the Upper School math curriculum and “Math Pathways.” At the end of 6th Grade, all students will be recommended for either the “Grade Level” math class or the “Accelerated” math class. This summer, three FREE math programs will be offered during July and August.

### What do these changes mean for YOUR child?

Please join us for pizza, a brief presentation, and a chance to ask your questions.

Monday, April 6 | 5:30 – 7PM

Kennedy-Longfellow/Putnam Avenue Upper School  
Multipurpose Room ■ 158 Spring Street
