

## In Our District & Community

### **Trailblazing Women - Mothers & Daughters Carrying on The Legacy**

**Wednesday, April 12 | 5:45-8PM**

Cambridge City Hall

Please join us in conversation. An honoring of local women, a group reading and community conversation with an Open and Honest dialogue on race. Developed in collaboration with Cambridge Mayor Denise Simmons, Cambridge YWCA, Cambridge Women's Commission and Mass Humanities. Free and open to the public; all genders and ethnicities welcome! Community Conversations is a sacred space for black women consumers and health practitioners to explore, learn and work together in an informal setting on health issues of particular relevance in the black community. Grateful for the interest, enthusiasm, and support of our community allies, we have long sought opportunities to share our innovative model of health promotion and community dialogue with our broader community.
