Friends of G&P Update

Mission of Friends of Graham & Parks (FoG&P)

The Friends of Graham and Parks seeks to provide academic enrichment opportunities for every student, promote volunteerism and engage all our families through fundraising activities and community building events.

Almost There!

Our Goals:

- Meet our Annual Fund Drive goal of \$12,000.
- To host at least 5 community events during the school year.
- Increase the number of volunteers in FoG&P and at school events.
- Collaborate more closely with teachers to meet their financial needs in the classroom.

Provided funding for special project equipment such as electrical circuit materials.

Assisted funding school concerts and the annual art show.

Sponsored 12 field trips in the 2014 - 2015 academic year, such as to the Tsongas Industrial History Center.

Thank You

Our success is a reflection of every family's commitment to making our school stronger. G&P families have helped us at events, given to the Annual Fund Drive and have purchased our G&P merchandise.

What you gave last year, we give back this year. Please help us to ensure that next year is as successful as this year.

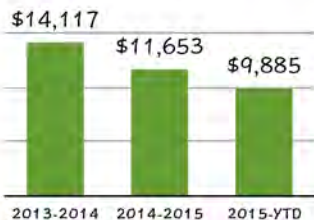

Supported special in-school events such as Windows on Wildlife Raptor program.
