Summer Session

Our summer session is an excellent introduction to Balinese music and culture. This is a great opportunity if you are interested in learning how to play a new instrument, or if you have already been involved with the group this year and want to get even better!

About Us

The Cambridge Youth Gamelan (Gamelan Anak Tika) aims to inspire, engage with, and educate youth about traditional gamelan music and dance of Bali, Indonesia. Our group is open to students in Grades 3 - 9 regardless of prior musical experience. Beginners strongly encouraged!

We are proudly supported and funded by the Cambridge Arts Council, Massachusetts Cultural Council, as well as private donors in the community who support gamelan and children's music education.

MIT Endicott World Music Room | 265 Massachusetts Avenue, Cambridge, MA 02139
