GIRLS' MEDIA

**Grades 6 – 8
7:00pm**

Wednesdays 5:00 –

March 8 – May 17

Girls' Media is an enrichment program for 6th – 8th grade girls who are interested in exploring what it means to be a girl. We talk about identity, healthy relationships, media images, and more.

Led by Tutoring Plus staff and high school Peer Leaders, middle school girls will participate in activities and discussions each week. They will have the opportunity to create their own video at CCTV with their peers. Food will be provided.

At the end of the program, families are invited to join us in celebrating the girls' incredible work this spring!

Please fill out this form and return to the Tutoring Plus office in the lower level of the Fletcher-Maynard Academy. If you are not registered for another Tutoring Plus program this year, we will require additional registration forms.
