

FINDING ACTIVITIES & SERVICES IN CAMBRIDGE SURVEY HOW CAN WE MAKE IT EASIER

We need your help!

The City of Cambridge and the Kids' Council, with the support of Code for Boston, are developing a plan to make sure families, youth, and those who support them have the ability to easily find the activities, services and resources they are looking for in Cambridge, when they are looking for them.

We want to develop a new and improved technology to meet **your** needs, which is why we are asking you, your friends, colleagues and neighbors to complete this **quick 5 minute survey**.

Here is the link: www.cambridgema.gov/infosurvey

You can take the survey in Arabic, Afrikaans, English, French, German, Haitian Creole, Hindi, Italian, Korean, and Spanish. If you would like paper copies or have any questions, please contact Nancy Tauber, Executive Director of the Kids' Council at ntauber@cambridgema.gov or 617-349-6239.

Thank you,
Nancy
