TO THE HONORABLE MEMBERS OF THE SCHOOL COMMITTEE:

Approval of Global Revision of References to "Principal" in all School Committee Policies to be a Reference to "Principal/Head of Upper School"

Recommendation: That the School Committee approve the revising in all policies, where applicable, the reference to "principal" to be changed to a reference to "principal/head of upper school."

This policy is being presented for a second reading.

Description: This revision is being recommended in order to clarify that all references to "principal" in existing policies is an encompassing reference that includes both "principals/heads of upper schools". The change will bring all policies into line with the current terminology used for instructional leaders of schools within the school district.
