

MLK BULLETIN

Tuesday, April 27th

Stay tuned every Tuesday for the MLK Bulletin

Our teachers and students have safely returned from China! We enjoyed the hospitality of the Jiangnan Experimental School in Hangzhou and the beautiful sights of Shanghai. Our students did an exemplary job of learning the culture, eating and trying all sorts of ethnic food, and being mature, responsible, 8th graders. Stay tuned to our school website for more pictures. Thank you to our generous donors who made this trip possible!

*

There will be a School Council meeting tonight from 5:30PM-7PM in the garden, weather permitting (backup will be the library). All families are invited to attend these meetings.

*

Celebrate our wonderful school library by making a book with artist Susan Gaylord. This parent/child workshop is scheduled from 3:00 to 6:00PM in the library on Wednesday, April 28. Please bring cereal boxes and paper that you are recycling to craft your own book!

*

Please make sure to return the signed progress report acknowledgement slips. Progress reports were sent home the Friday before the April Break. These signed slips help ensure that every family receives these reports. Please do not hesitate to contact your teacher if you have a question or concern.

*

Thank you to Mr. Beucler and our five seventh grade students for participating in the Museum of Science's free overnight camp last Friday. All of the students had a terrific experience!

Save the Date! Our annual Evening of the Arts by King students will be held on Friday, May 21st from 5:00 to 7:30PM.
