H1N1 flu vaccinations will occur on Wednesday, December 16th.

Please note that students will only receive these vaccinations if they have returned consent forms. Children 9 years old and younger will receive one dose this Wednesday and will be given a card for a required second dose at a later date. There is a public flu clinic at the Cambridge War Memorial on Saturday, January 9th from 11AM to 2PM.

Construction Update for Week of December 14

Water Main Work

Crews will continue to work on water mains in the streets around the school. The School will **not** be affected by any water shutdowns, and all neighbors have received shut down notices.

Traffic and Parking during Construction

- During work hours, traffic will be maintained on Putnam Ave from 7 am to 9 am.
- Two way alternating traffic will be maintained on Putnam Ave from 9 am to 4 pm.
- Police details will be onsite during work hours to assist the school community
- Access to school parking lots will be maintained.

If you have any questions regarding construction, please call Kelly Dunn, Community Relations Manager, 617.349.4870
