Our deepest sympathies go out to the families of those affected by the tragic earthquake in Haiti. Our administrative team has been in direct contact with such families and we will continue to extend counseling for students if requested. Our most recent fundraising efforts at the King Assembly raised more than \$200 for the American Red Cross. We offer our best efforts as a community to support our students and families during this difficult time and welcome ideas or suggestions. Please contact Claire Koen at 617.349.6562 if you are in need of any assistance. The following are additional supports within Cambridge for families:

Cambridge Health Alliance: Counseling is also available to residents of Cambridge, Somerville, Malden, Chelsea, Revere, Everett, and Winthrop or to those who have a primary care provider at Cambridge Health Alliance by calling 617-665-3980.
