Five middle school students graduated from the Harvard Youth Leadership Initiative (HYLI) program (Yoeal, Isabella, Keisha, Asad, and Khalil). In addition, three of them won a \$100 scholarship (Yoeal, Isabella, and Asad) based on attendance and leadership qualities. The HYLI included 40 students from various Cambridge Public Schools. **Congratulations!**

Please make sure to remember that students should not wear flip-flops to school. These are not safe for running, playing, gym, and the stairs. Thank you for your cooperation.

Congratulations to sixth grade student Feldano Francois who will be speaking about his experience with his tutor Ruth Goodman (who has followed him since second grade) at tonight's Cambridge School Volunteer's reception at Harvard University.
