We are pleased to announce a special internship collaboration with Wheelock College for next year! The Wheelock-King Partnership will enable six graduate interns to rotate across our kindergarten, first, and second grade classrooms throughout the year! It is our belief that collaborating with institutions of higher education on the practice of great instruction makes us even better!

Also, special thanks to our art teacher, Ms. Suzie Blackburn, and our garden coordinator, Ms. Caitlin Rogers for their hard work. Both events were truly special!

Please save the date: Portfolio Day is next Friday, June 4! This is one of our most attended events that truly highlights our students work over the past year. We hope you can make it!
