Our middle school students returned safely and happily from an overnight camping trip in the Berkshires this past Thursday and Friday. They participated in archery, low and high ropes courses, teambuilding activities, a nature hike, and an evening campfire! This was a great opportunity for our students and staff to challenge each other and build upon our community.

The questions below highlight some of the most common areas of parental concern that may be useful during this week's Parent Conferences. Taken from Education World (http://www.educationworld.com/a_curr/TM/WS_curr291_conf2.shtml)

1. How is my child doing in your class? What are my child's grades in each subject area?
2. How does my child's work compare to the work of other students?
3. Is my child working up to his or her ability?
4. Does my child participate in class discussions and activities?
5. What concerns do you have about my child's behavior or academic progress?
