

KING UPDATES: NOVEMBER 1ST

Thank you to our parents that attended our two math nights (grades JK-2 and 3-5). As is true of most meaningful learning, it is so important to teach math in as many real-life situations as possible. This includes grocery trips, cooking recipes, sporting events, books, math games on the computer, and the list goes on. Math is everywhere and our continued practice with our children reinforces and sharpens their skills!

Marionette Show: *this Saturday Morning!*

Tickets will be sold for both showings of “The Dragon King” marionette show in the main lobby after school. Tickets are \$9 per seat (infants under one on laps are free) for both shows (November 5th, 9:45am & 11:30am). Ask your friends and families to join you. So far, we have sold over 100 tickets! You do not want to miss this special event!

School Council

There is a School Council meeting this Wednesday from 5:00 p.m. to 6:30 p.m. All families are welcome to attend! Please email Bethany Versoy at bversoy@cpsd.us if you plan on attending and/or if you need childcare.

Early Release Wednesdays Reminder

Every Wednesday for the rest of the school year students will dismiss at **1:55PM**.

Next Week’s Schedule

Please note that we have two holidays (no school days) next week. The first is next Monday, November 7th, in celebration of Eid Al Adha. The second holiday is next Friday, November 11th, for Veteran’s Day.
