

September 8, 2011

Welcome Haggerty Families and Friends,

I hope everyone is as happy as I am to see the school year begin again! It has been refreshing to have the noise of children in the building after a summer of cleaning, planning, and organizing! We started our first day of school with a lovely Edible Arrangement from Kate Conway. Kate was very helpful to me over the summer and has made my transition to Haggerty a smooth one. I am very grateful for her support and for AnneMarie Mahoney's as well. As a parent I always knew AnneMarie worked hard for the staff and children, but I had no idea how truly helpful and knowledgeable she is with everything! She has been my right arm AND left leg. I cannot imagine this transition without her.

Everyone is
Different.
Everyone
Belongs.

I can promise you that the staff and children are in great hands with AnneMarie's leadership, but also with the care that each of the staff bring to your children. We had a terrific orientation week with a focus on all of the Haggerty children. The faculty is prepared to keep our focus on what is in the best interest of the children throughout the course of the year. This is obviously something that we cannot do without you. With your input and knowledge of your children we can build a partnership, with the children are at the center.

Effective communication between home and school will be a critical element of ensuring the success of all of the Haggerty children. The connections we are able to build will best support their learning. In the coming days and weeks you will create the best form of communication with your classroom teacher. The school wide communication tools will include the School Advisory Council (SAC), PTO, the Haggerty Holler, and... Lissa Galluccio, parent liaison. Lissa plays a large role in every aspect of parent communication. She has been a terrific partner thus far for me and I know all of you will find her to be a tremendous help as we build and strengthen our relationships this year.

Nancy Campbell
Principal

I can't thank you enough for trusting us with your children each day. Although my children are no longer elementary students, I had the same twinge of worry yesterday as my daughter started her first day at the high school and my son set off for his first day of middle school at Peabody.

I look forward to our work together this year.

Warm regards,
Nancy Campbell
