**Report Card:**

This report includes information on the school's performance on the Massachusetts Comprehensive Assessment System (MCAS) by content area, grade level, and for particular student populations. Comparison data from the district, the state, and from 2003 are also provided. In addition, this report includes other information as required by the federal *No Child Left Behind* act.

**Mission Statement:**

The school offers multi-grade classes in grades 1-6 and is developing shared learning experiences as well as single grade organization in the 6th, 7th, and 8th. The developmental, project-based curriculum is organized around themes which link reading, writing, the arts, math, science, social studies and physical education. Learning activities are designed to encourage students to be creative, critical thinkers and problem solvers in both group and individual work.
