The dependent that does not elect coverage may not receive the Medical Health Waiver.

If the initial enrollment is missed, the employee must either have a qualifying event or wait for Open/Switch Enrollment to enroll onto the insurance. (Please read further on about Qualifying Life Events).

Dependent Status
Medical Insurance
Dependent Children under the Affordable Health Care Act are covered by all of the City of Cambridge Health plans until they reach the age of twenty-six (26). Insurance will end at the end of the month of which they turn twenty-six (26).

When a dependent reaches age twenty-six (26), she/he is eligible to continue the Health Insurance as their own subscriber under COBRA up to thirty-six (36) months. A COBRA notice will automatically be sent by the Benefits Office. If you have questions about COBRA please contact the Benefits Office at (617)349-6440.

Dependent Dental/Vision Insurance
For employees covered under the Cambridge Public Employee Dental and Vision Fund Insurance, eligible dependents are covered to age nineteen (19).

Full-time students covered to age twenty-five (25). Employees must provide proof of full-time student status. Full-time student verification must be obtained from the school Registrar’s Office twice annually (Fall and Spring Semester). The letter must be certified with the university or college seal, be dated after the start of the semester, state the start and end date of the semester, state full time student status, estimated date of graduation.

If you wish to have your dependent to continue on the Dental & Vision Insurance under COBRA once their dependent status ends, you must notify the CPE Dental & Vision Fund 60 days prior to the event (i.e. graduation date). For additional information please contact the CPE Dental & Vision Fund at (617)354-1110 or email them at info@cdvfund.org, you can also visit their website at: www.cdvfund.org.

Marriage
Upon Marriage, if you wish to add your spouse to your plan, you must do so within thirty (30) days of the event by completing the appropriate Health Insurance Enrollment forms. You will also need to provide your Spouse’s Primary Care Provider Name and ID number, Social Security Number, and you must provide a State Certified Marriage Certificate.

Divorce or Legal Separation
As a result of divorce or separation, you may need to enroll onto one of the City of Cambridge Health Plans. If
already enrolled, you may need to change from a family to an individual plan or you may be required by the court to change from an individual to a family plan.

Please contact the CPS Employee Benefits Office if you wish to enroll on the Health Insurance, need to remove or add a spouse.

Enrollment in a health plan or changes to family coverage must be accompanied by a copy of your marriage certificate as well as copies of any court documentation requiring you to cover a former spouse. You will also need to provide your former spouse’s Social Security number and the Primary Care Provider name and ID number.

If you are removing a spouse, please provide the CPS Employee Benefits Office with a letter requesting the removal along with a current address for the individual being removed as we are required by Federal Law to offer them the option to continue their coverage under COBRA for up to thirty-six (36) months. Please note that we will not process a termination of a spouse or change to individual without a current address for the former spouse.

Please be aware that if you are separated and remove a spouse whom you are subsequently required to cover as part of a divorce or separation agreement, you may be required to pay 100% of the premium from the time the spouse was removed from your plan.

In the event that the employee/retiree remarries:
1. CPS Employee Benefits Office must be provided with a court-certified judgment of divorce or separate support, which mandates that the former spouse of the CPS employee/retiree remain on the CPS-offered group insurance.
2. CPS Employee Benefits Office shall have the right to require that the former spouse enroll in separate individual policy.
3. The CPS former spouse/subscriber shall be responsible to pay the full monthly premium (one hundred percent (100%) of the monthly rate) for the plan in which the former spouse is enrolled.
4. The former spouse of the employee/retiree shall, notwithstanding any contrary provision of these rules and regulations, lose any eligibility rights upon remarriage of such former spouse.

This information must be provided to the CPS Employee Benefits Office within thirty (30) days of the divorce or legal separation.

**Changes in Your Spouse’s Employment Status**

*Spouse starts a new job* and becomes eligible for health insurance; you may wish to evaluate which health plan best fits your current needs. Should you wish to continue coverage through the City of Cambridge, you do not need to do anything, unless you are changing from family to individual coverage. If changing to individual, you must complete the appropriate health plan enrollment form accompanied with documentation confirming your spouse’s new coverage.

*Health Insurance Waiver*

If you decide to transfer to your spouse’s new health insurance and terminate your enrollment with the City of Cambridge insurance through Cambridge Public Schools, you may be eligible to sign a health waiver of participation in a City plan and receive a defined stipend, paid in monthly installments, in lieu of health insurance coverage. Please review your Union Contract to find out if you qualify and if so for what amount. If you elect this option you must complete the Health Waiver form and provide a copy of your new medical insurance card. You must do this within thirty (30) days of the qualifying event.

*Spouse loses coverage* as a result of ending their employment or because their employer terminates the health plan, and you wish to add your spouse to your health plan, you need to complete the appropriate Health Insurance Enrollment form and provide documentation from your spouse’s former employer as to the type of coverage lost and the termination date of your spouse’s insurance. A copy of your State Certified Marriage Certificate, spouse’s Social Security Number, Primary Care Provider name and ID are also required. You must do this within thirty (30) days of the qualifying event.
You have an Involuntary Loss of Coverage
Complete a Health Insurance Enrollment form to enroll in the benefits you and your eligible family members lost. Please contact the CPS Employee Benefits Office within thirty (30) days of the qualifying event. Provide a Loss of Coverage Letter from previous employer or insurance provider which specifies who was covered, type of coverage and the date coverage terminated. Include all required documentation, State Certified Marriage Certificate (adding a spouse), State Certified Birth Certificates for child(ren), Social Security Numbers, and Primary Care Provider names and ID numbers for everyone to be enrolled. The effective date of coverage will start the date the coverage is lost.

Resignation/Termination of Employment
Generally, your coverage under the City of Cambridge School Department health plans ends on the last day of the month after the month in which your employment terminates. However, if you terminate employment the first of the month, your benefits end on the last day of that month. If you have dental and vision coverage, they will end the last day of the month in which you terminate.

Under COBRA, you can continue your health, dental and vision coverage for up to eighteen (18) months at the cost of 102% of the full monthly premium for your health and/or dental and vision plan.

Term Life Insurance Coverage- Basic and Voluntary Life will end on the last day of the month in which you terminate. These plans are “portable”- i.e. if you wish to continue the plans once you leave City of Cambridge employment, you may do so by contacting the insurer.

Flexible Spending Medical and Dependent Care Accounts- deductions will cease upon termination, and you may submit claims for reimbursement of expenses incurred before your termination date. If you have questions you can contact the Cafeteria Plan Advisors at (800)544-2340.

Leaves of Absence
If you are on a paid, approved medical, family or sabbatical leave, your existing health, life and/or dental insurance premium deductions will continue to be taken from your paycheck during the period of your leave.

During periods of unpaid approved medical and family leaves of absence, employees are required to pay the employee portion of their premiums directly to the Cambridge School Department via bank or cashier’s check made payable to the City of Cambridge (cash payment as opposed to payroll deduction).

Employees on an approved Personal Leave of Absence must pay 100% of the full cost of their health, life and/or dental insurance premiums if they wish to remain enrolled.

The CPS Employee Benefits Office will notify you, in writing, regarding payment of the amount of your monthly required premium(s). If, while on approved leave, you are required to make direct payments via money order/banker/cashier’s check (personal checks will be returned), and you fail to meet your premium payment obligations, your benefit enrollment and coverage will be terminated and you will not be able to re-enroll until the next Open/Switch Enrollment period for health plans (usually held in February/March for an April 1st effective date).

Death of an Employee, Spouse or Dependent
In the event of the death of your spouse or a dependent, you will need to provide the CPS Employee Benefits Office with a copy of the individual’s death certificate so that he or she can be removed from your health plan. For changes that affect coverage level such as going from family to individual, you will need to notify the CPS Employee Benefits Office as soon as possible.

In the event that you the employee passes away, your spouse and/or dependent child(ren) will need to notify us of your passing and will be eligible to maintain the health, dental and vision insurance through either COBRA for thirty-six (36) months or via Retirement Pension (this is if you qualified for retirement benefits before passing). They will need to either contact the Massachusetts’s Retirement Board at (617)679-6877 or City of Cambridge Retirement Board at (617)868-3401 to see if they qualify for retirement pension benefits. The CPS Employee Benefits Office will notify your spouse and/or dependents of their next steps.
If you had the Basic and Voluntary Life Insurance coverage, the listed beneficiary will need to complete a claim form and return it along with an Official Death Certificate.

Retirement
Upon retirement, eligible individuals who are currently enrolled in the City of Cambridge’s contributory group health and life insurance programs may continue coverage as a retiree to the extent allowed by the various insurance providers. Only those dependents enrolled in an insured employee’s health insurance plan at the time of retirement may continue coverage once that insured employee commences retirement. Retired employees may not add dependents (i.e. new spouse) onto their health insurance plans after retirement.

If you retire when you are under sixty-five (65) years of age and have health and life insurance through the City of Cambridge School Department, you retain the coverage you have at the contribution rate for retirees at the time you retire. The amounts will be deducted from either the City of Cambridge Pension or the Massachusetts Teacher Retirement System pension.

If you and/or your spouse are already over 65 and you and you are retiring you will need to contact your local Social Security Office (800)772-1213 to find out if you and/or your spouse are eligible for Medicare.

If you and/or your spouse are found to be ineligible for Medicare, simply obtain written confirmation from Social Security and forward it to the CPS Employee Benefits Office and you will remain on your current Health Insurance plan.

If you and/or your spouse are eligible for Medicare A and B, either on your own or through your spouse, you must apply for and accept Medicare. You will then need to change your current health plan. The City of Cambridge currently offers five (5) Senior Supplemental Health Plans to its’ Medicare-eligible retirees and spouses; these plans also include Part D Prescription Coverage. A brief comparison of some of the benefits available under these plans along with the monthly cost to you of each plan (via pension deduction), is available in the CPS Employee Benefits Office.

Applications to enroll onto the Senior Supplemental Plan must be completed in the CPS Employee Benefits Office prior to the first of the month in which you turn sixty-five (65).

Once your membership in the new plan has been approved, you will be set up on the City of Cambridge’s Medicare Reimbursement plan whereby you are refunded 85% of the cost of Medicare Part B every three (3) months.

If you have the Dental and Vision Insurance through the Cambridge Public Employees Dental and Vision Fund, you will receive a letter from them directly if you wish to continue your coverage at retirement. If you are an Administrator or Management and have the Dental Insurance through the City of Cambridge School Department you will receive a COBRA notice to continue the Delta Dental Premier for eighteen (18) months.
