

Apply to Early College at Lesley University!

The Early College Program is a new partnership between CRLS and Lesley University that allows students to earn college credit while exploring career opportunities through structured pathways.

Program Details

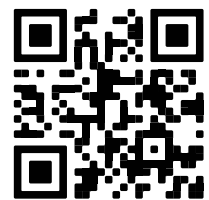

The program allows students to enter one of three pathways: health sciences, art & design, and human services & social work. Pathways include college-level coursework on Lesley University's campus taught by college professors, college advising, and career connections. Courses are FREE and begin fall 2022 on the Lesley University campus in Cambridge.

Who Can Apply?

Students who are in grades 10, 11, 12 next year (2022-2023). There are no prerequisites to apply. **The program's focus is on equitable access for students underrepresented in higher education.**

Interested?

Interested? Search "Lesley Early College" in the CRLS Course Catalog during course registration and apply online. Scan QR code for application.
