LOOKING FOR AN AFTERSCHOOL PROGRAM?

Agassiz Baldwin Community's Kindergarten and 1st-5th Grade Afterschool Programs have space available for the remainder of the 2018-2019 school year! Our afterschoolers enjoy choice-based programming that adapts to their own interests, extending their learning through play and developing important social-emotional skills through the Nurtured Heart Approach. If you or anyone you know are interested, contact our Registration Coordinator, Jessica Leach, to schedule a visit and learn more about enrollment and financial aid options. You can reach Jess at registration@agassiz.org or by calling 617.349.6287 x28.

FEBRUARY AND APRIL VACATION CAMPS

Jodi Rich, Director of Dragonfly After School Program created a great list of February and April Vacation Camps to help families find child care during vacations. Many thanks for Jodi for compiling this list! Please remember to contact the programs directly to register or if you have questions about tuition cost, availability or any other information. Copies of the list are available in the Main Office or email Lauren at lmorse@cpsd.us if you want a copy.

FOR CAMBRIDGE DADS

My name is John Arias, and I am the new Coordinator for Cambridge Dads – a project of the Agenda for Children Literacy Initiative and the Center for Families. Our project promotes active parenting and self-care through dads and students' activities, dads only events, and social media platforms. As we look towards the future, we are actively gathering input from fathers across Cambridge to help guide programming that meets dads' needs. Can you please spread the word about our fatherhood survey within your networks? Your help is greatly appreciated! A link to our online survey is available here:

Feel free to reach out if you have questions. Thank you for your help!

FREE TICKETS TO HARVARD WOMEN'S HOCKEY GAME

Harvard Athletics would like to invite Graham and Parks School to join Harvard Women's Hockey at their Annual FREE Light the Bright-Landry game against Brown, Saturday, February 2nd at 3PM! We will be giving away special neon colored Harvard t-shirts and light-up foam sticks to fans in attendance! We encourage everyone to wear their own neon and will give them a spin on our Harvard Athletics prize wheel. There will be lots of other giveaways, on-ice contests, and even a FREE post-game skate with the Crimson (skate rentals not available). This year Harvard is also recognizing National Women and Girls in Sports day earlier before the game. With meet and greets with some of Harvard's elite female athlete's as well as fun games, it will be a great time to recognize and support women and girls in sport. All are welcome to join in on the fun! Doors will open at 2PM for autographs and meet-and-greets and the game will begin at 3PM.

Use the Promo code CRIMSON19 to get your FREE tickets at the link below!

CAMBRIDGE DIGS DEEP

Intent vs. Impact: Exploring Microaggressions & Tools for Change

Saturday, January 26 | 12-2PM

Cambridge Rindge and Latin School, Main Cafeteria
459 Broadway, Cambridge, MA 02139

Join Mayor Marc McGovern and Councillor Sumbul Siddiqui for a city-wide community workshop facilitated by Dr. Darnisa Amante, CEO of the Disruptive Equity Education Project (DEEP). In this second session, participants will gain greater understanding of implicit bias and learn tools for recognizing and responding to microaggressions through interactive activities and role-playing scenarios. All are welcome. Food and child care will be provided. RSVP to the Facebook event [here](#).

Cambridge Digs DEEP is an initiative launched by Mayor Marc McGovern and Councilor Sumbul Siddiqui to engage the community in conversations about equity, privilege, diversity, inclusion, and race in a series of forums and workshops. SINGERS INVITED - NORTH CAMB. FAMILY OPERA

This is a fabulous opportunity for families to sing together and to learn some science. Anyone age 6+ may participate. 6-11 years old requires a participating adult though all adults (even without children) are encouraged to participate. NCFO will again participate in the [Cambridge Science Festival](#). This year's program is called ***One Whole Step for Man: Songs of Space Travel***

Celebrate the 50th anniversary of the first moon landing in song! Come sing with us about the history, challenges, and potential destinations of space travel. Our program includes songs about animals in space, the exploration of Mars, and what happens as you approach the speed of light. For a sample of a song about the moon, watch "[Cool Moon](#)" by David Haines (as performed in 2014).

WHO: Adults and children 6 and older are invited to join us (children 6 to 11 require an accompanying adult). All experience levels are welcome!

WHEN: Rehearsals - **Thursdays** at 6:15, starting January 24. REGISTRATION on January 24 and January 31

WHERE: All rehearsals are at the [Peabody School](#), 70 Rindge Ave, North Cambridge

A flyer is available for download [HERE](#).
