

What's Cooking?

Cambridge Camping and Lesley University are teaming up to create a fun and enriching STEAM (science, technology, engineering, art and math) vacation camp.

STEAM in the Kitchen and Beyond!

Why does bread rise?
What makes cakes turn brown? What makes food spicy? Is a tomato really a fruit? How do taste buds develop? Is popping popcorn a physical or chemical change?

Are you interested in creating delicious meals while learning the science behind cooking?

Then explore your curiosity with our April Cooking Camp!

When: April 20th-24th
9am. until 4pm.

Where: Lesley's Porter Square campus (1815 Massachusetts Ave, Cambridge, MA)

What:

- * Hands on small group scientific and culinary exploration through cooking
- * 5th-7th graders, capped at 15 students

Cost: Only cost is a 10\$ application fee.

If interested, please contact Cambridge Camping Program Director Clara Hobson at: chobson@cambridgecamping.org
Or: 617-864-0960
